Sir,

Cl-1

Adverting to Government Proceedings No.10336/M1 402-06-4 dated 4th May 1907, sanctioning tentatively for a period of 2 years the levy of fees on laden carts &c that at each weekly market (shandy) days in the Chellakere Municipality, I have the honor to state that this item of revenue contributes a sum of Rs.140/- per mensem or Rs.1,680/- annually. The financial condition of the Municipality having thus improved, the Board was able to carry out some important sanitary improvements and a good deal remains to be done.

2. The members of the Board are of opinion that the construction of a pukka market in a hot place like Chellakere for the convenience of traders who gather on the shandy days in large numbers is a desideratum (vide para 2 of the Board's resolution. Copy Enclosed)

3. As the levy of this tax which has been in force for the last 2 years has not been considered to be oppressive, I would recommend that instead of continuing the same for a further period of 3 years as proposed by the Board, the Government may be pleased to accord sanction to introduce this tax permanently, the duty on tobacco and cocoanut which yields a small

annual income of nearly Rs.60/- being abolished.

4. As the close of the year is fast approaching and as this item of revenue has to be ~~framed~~ out for the next year, I have in anticipation of the above proposal being sanctioned, forwarded the notification of sale to the Compiler for publication in the Gazette.

I have the honor to be
